Dear Jiang Jilu,

Re: CPA Australia five yearly reaccreditation review

The following CPA Australia accredited program(s) offered at Guangdong University of Foreign Studies are due for the five year reaccreditation review in 2016

- Bachelor of Management in Auditing
- Bachelor of Management in Accounting

Please refer to the [CPA Australia Accreditation Guidelines](#), in particular Checklist # 4 for details on the documentation required for the reaccreditation review submission.

As part of the reaccreditation process, a site visit may be required and further advice will be provided at a later stage should this be a requirement. Requests from higher education providers for a reaccreditation site visit will also be considered.

The reaccreditation submission from Guangdong University of Foreign Studies is due by 2nd May 2016 however earlier submissions are welcome. The accreditation of the program(s) will expire on 31st December 2016 so the submission must be received well in advance of this date in order for CPA Australia to assess the submission documentation and for the Accreditation Management Committee to consider reaccrediting the program(s) for a further 5 years.

Submissions via USB (flash drive) are preferred, or an electronic submission can be lodged via accreditation@cpaaustralia.com.au.

Please be in touch if you have enquiries regarding our reaccreditation process.

I look forward to receiving the reaccreditation submission from Guangdong University of Foreign Studies in due course.

Yours sincerely,

Mary P. Clarke
